# MAKE THE SAME PROFIT FROM NON-CASH PAYMENTS AS YOU DO CASH PAYMENTS!

It's our Cash Discount Program, exclusively from SALIDO.

## WHAT IS CASH DISCOUNT?

It's SALIDO's innovative program that allows you to treat every transaction as a cash transaction by applying both a "cash" price and an "other payment" price to every order.

## HOW DOES IT WORK?

You secure one low rate on every transaction. Then, all tickets are assigned two prices, creating a unique price decrease that is applied on an item whenever cash is used.
