

SALIDO

INNOVATIVE TECHNOLOGY TRANSFORMING THE HOTEL DINING EXPERIENCE.

WELCOME TO THE SALIDO + OPERA INTERFACE.

SALIDO POS now offers the latest in software solutions for the travel and lodging industry. Hotel Operators can now quickly and efficiently leverage SALIDO's technology to keep up with the fast paced environment of the hotel.

Eliminates payment friction at all of your property's revenue centers.

Supports hotels with multiple restaurants and shops.

Easy-to-understand reports accessible from anywhere.

Less expensive than a MICROS upgrade.

Payment processing and support under one roof.
