

SALIDO

SHOGO

**Shogo works seamlessly with all of the leading accounting solution providers.**

**=exact**

**intuit quickbooks.**

**Restaurant365**

**sage**  
Business Cloud

**sage**  
Intacct

**Getting set up with Shogo is easy.**

**1**

Connect your POS or ecommerce solution to Shogo.

**2**

Select your accounting system and authorize its connection to Shogo.

**3**

Map your POS or ecommerce reference data to your accounting data.

That's it! You're good to go – Shogo will automatically sync your sales to your accounting solution every morning.

**Get your SALIDO with a side of Shogo. For more details, including ultra-low pricing starting at just \$15 per month with free online support, [Greg G. Kapitan call/text 801.205.1955](tel:801.205.1955)**
